If your child is planning on attending the Outdoor School program at Walker Creek Ranch any time during the next year, then you will enjoy this tour. It is a great opportunity for you to get a first hand view of the unique experiences that we have planned for your child. The tour is designed to introduce you to the Ranch and provide important information about the Outdoor School Program. All parents of children who will be attending Walker Creek Ranch within the next year are welcome! We want to especially encourage those parents who are P.T.A. representatives or involved in organizing student visits to Walker Creek Ranch to attend this tour.
